The following information is required in order to place a Lookout Site on the register. Additional information supporting the nomination is useful and will be kept in our national files.

1. Name of lookout site: \_\_\_\_\_ Date: \_\_\_\_\_

2. Location of lookout site (state, county, local, latitude and longitude):

---

---

3. Name and address of agency/landowner:

---

---

---

4. Date structure constructed: \_\_\_\_\_

By whom? \_\_\_\_\_

5. Description of structure and site (cab design, dimensions, height, materials):

---

---

---

6. Historical Significance:

---

---

---

---

7. Name and address of Nominator:

---

---

---

8. Enclose photograph of lookout (for certificate and listing on web) (can email to **info@firetower.org**).

9. Attach forest map.

*Be sure that all nine (9) items listed above are provided.*

*The NOMINATOR is the individual preparing the nomination. The NOMINATOR will not be listed on the certificate.*

*The goal is to recognize the 5,000+ sites in the US that once had lookouts.*

*Email applications can be accepted at **info@firetower.org**.*
